Masterlinks Uganda Limited is pleased to respond to a request for a quotation for video enhancement software as detailed in the Standard Bid Document (Quotation Method), with the reference above.

Masterlinks is the Ugandan representative of Kinesense Limited, a specialist supplier of video surveillance technologies, based in Dublin, the Republic of Ireland.

Masterlinks trusts that this response is in line with expectations and we are ready to clarify any matters, should these not be clear from our submission.

Yours faithfully,

Alex Mukama  
Director

## CODE OF ETHICAL CONDUCT IN BUSINESS FOR BIDDERS AND PROVIDERS

(Under Section 93 of the Public Procurement and Disposal of Public Assets Act, 2003)

### 1. Ethical Principles

Bidders and providers shall at all times-

- (a) maintain integrity and independence in their professional judgement and conduct;
- (b) comply with both the letter and the spirit of-
  - i. the laws of Uganda; and
  - ii. any contract awarded.
- (c) avoid associations with businesses and organisations which are in conflict with this code.

### 2. Standards

Bidders and providers shall-

- (a) strive to provide works, services and supplies of high quality and accept full responsibility for all works, services or supplies provided;
- (b) comply with the professional standards of their industry or of any professional body of which they are members.

### 3. Conflict of Interest

Bidders and providers shall not accept contracts which would constitute a conflict of interest with, any prior or current contract with any procuring and disposing entity. Bidders and providers shall disclose to all concerned parties those conflicts of interest that cannot reasonably be avoided or escaped.

### 4. Confidentiality and Accuracy of Information

- (1) Information given by bidders and providers in the course of procurement processes or the performance of contracts shall be true, fair and not designed to mislead.
- (2) Providers shall respect the confidentiality of information received in the course of performance of a contract and shall not use such information for personal gain.

### 5. Gifts and Hospitality

Bidders and providers shall not offer gifts or hospitality directly or indirectly, to staff of a procuring and disposing entity that might be viewed by others as having an influence on a government procurement decision.

### 6. Inducements

- (1) Bidders and providers shall not offer or give anything of value to influence the action of a public official in the procurement process or in contract execution.
- (2) Bidders and providers shall not ask a public official to do anything which is inconsistent with the Act, Regulations, Guidelines or the Code of Ethical Conduct in Business.

### 7. Fraudulent Practices

Bidders and providers shall not-

- (a) collude with other businesses and organisations with the intention of depriving a procuring and disposing entity of the benefits of free and open competition;

Procurement of video enhancement software:  
UPF/SUPLS/19-20/CFC 000038(Lot 5)

- (b) enter into business arrangements that might prevent the effective operation of fair competition;
- (c) engage in deceptive financial practices, such as bribery, double billing or other improper financial practices;
- (d) misrepresent facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity; or utter false documents;
- (e) unlawfully obtain information relating to a procurement process in order to influence the process or execution of a contract to the detriment of the PDE;
- (f) withholding information from the PDE during contract execution to the detriment of the PDE.

I **ALEX MUKAMA KAROOBI** agree to comply with the above code of ethical conduct in business.

*Alex Karoobi*

**NOTE:** The currency exchange rate for buying Euros, according to the Bank of Uganda on Monday 16<sup>TH</sup> March 2020, the was: Euro 1.00 / Uganda Shillings 4126.15.

Prices quoted here are fixed during the performance of the Contract.

## PART 2: STATEMENT OF REQUIREMENTS

### Specification and Compliance Sheet

Procurement Reference Number: UPF/SUPLS/19-20/CFC 00038 (Lot 5)

Purchase Order Serial Number: \_\_\_\_\_

*[Purchase Order Serial Number to be completed in the event of award of contract only]*

*Complete column c with the specification of the supplies offered. Also state "comply" or "not comply" and give details of any non-compliances to the specification required. Attach detailed technical literature if required. Authorise the specification offered in the signature block below.*

Item No	Technical Specification Required	Compliance of Specification Offered	Technical literature on specification offered in column c
<i>a</i>	<i>B</i>	<i>C</i>	<i>D</i>
01	<b>Programming Software and license (Video enhancement and investigation software for three users with three years license)</b>	Comply	The software is offered with an open / perpetual licence, for a single machine with unlimited users
	- Should enhance images and videos from any source including body cameras, mobile phones and Social media platforms	Comply	The software works with all current video formats, including data from body cameras, and many legacy formats. The software is updated as new formats appear on the market.
	- Identify important details like faces, Number plates	Comply	Face identity and number plate recognition are included in the standard product, which is specified here.  Note that additional and separate modules are available, at extra cost, which include: Face Detection & Attribution, which analyses video to find all faces in the video. These faces can then be filtered by: <ul style="list-style-type: none"><li>• Filter faces by age</li><li>• Filter faces by gender</li><li>• Filter faces by wearing glasses/no glasses.</li></ul>

**Procurement of video enhancement software:  
UPF/SUPLS/19-20/CFC 000038(Lot 5)**

Item No	Technical Specification Required	Compliance of Specification Offered	Technical literature on specification offered in column c
<i>a</i>	<i>B</i>	<i>C</i>	<i>D</i>
			Also, an Automatic number-plate recognition (ANPR) Processing system will be available as a separately licensed product by end-2020 This will analyse video to detect licence plates, extract image of licence plate and OCR number to a file.
	- Export files for court in any required format	Comply	Data is exported in a format specified by court authorities in each jurisdiction, for presentation to judiciary, using a storyboard approach. This is a standard feature used by clients around the world. Kinesense is the only known solution to provide all reporting tools in one platform conforming to the ISO 17025 international standard.
	- Conduct a proficiency Test to assure quality of image/Video	Comply	As the software handles multiple video formats it automatically carries out tests to evaluate the quality of recorded video data.
	- Capable to restore, clarify, and analyze images and video in a simple, fast, and precise way.	Comply	The main function of the software is to enhance the images captured from CCTV and other sources, and is easy and quick to locate footage of interest and provide court-ready documents.
	- Designed based on investigative, forensic, military and security application need.	Comply	Kinesense software is designed and produced by international investigative experts, specifically for use by police and security services worldwide
	- Maintain the original evidence integrity.	Comply	The integrity of the original evidence is maintained at all times. All enhancement operations take place using data extracted from the original source.
	- The video enhancement software should be open licensed or perpetual	Comply	The software is licensed on
