<p><b>* Windows support:</b> we only support the latest Microsoft supported Windows version (See the Microsoft Windows Lifecycle Fact Sheet <a href="https://support.microsoft.com/en-ie/help/13853/windows-lifecycle-fact-sheet">https://support.microsoft.com/en-ie/help/13853/windows-lifecycle-fact-sheet</a>). We suggest that customers use the latest version of windows to ensure that issues can be resolved. Kinesense products do run on earlier versions of windows but we cannot guarantee issues can be resolved that relate to third party solutions. If a support contract is in place, we will review any issue that arise but cannot guaranteed successful resolution.</p>
