- 1. Location: 2290 Gojeon-ri, Simwon-myeon, Gochang-gun, Jeollabuk-do
- 2. Area: 1,980,000 square meters [over 650,000 pyeong]
- 4. Development plan: Creating a life-sharing culture tourism complex and creating a 6th industrial complex
- 5. Business details: Fish Village, Aquaponics, Smart Farm, Housing, Production, Processing, Logistics Distribution, etc

- This development site will be created as a logistic anstribution hub complex in the adultion the account of and a profitable complex serving as a tourism industry
 This target site is a project to create jobs and revitalize the local economy by utilizing idle land around the ocean and salt fields and creating a new city
 It is an area where many tourist attractions such as golf courses and beaches are scattered nearby, and cruise ships will be anchored due to the construction of Noeul Bridge and Marina Port in the future

- The entire land will be purchased cheaply from Gochang-gun and will be developed after obtaining permission for district-level development activities
 The entire development area is planned to be developed as a project for the first, second, and third years
 The initial project cost is expected to be about 1 trillion won, and additional project costs will be increased according to the land status and financial situation to be developed as the world's best role model

Plan for the construction of the complex - 280 acres 343,000 pyeong

the industry	Area (pyeong)	Area (Ac)	Building area/(pyeong)	Remarks
the Fish Kingdom	60,000	49Асг		viewing theme plaza, etc
a fish farm	40,000	32.6		a multivariable fish farm
, broadcasting rooms	5,000	4		virtual reality
a tourist hotel resort	15,000	12.3		Accommodation
Traditional Folk Foo Complex	od 50,000	40.8		Creating a Traditional Food Complex in Eight Provinces
amusement facilities	15,000	12.3		cutting-edge play culture
an agricultural and marine product processing plant	20,000	16.3		functional agricultural and marine products Production manufacturing processing, etc
a logistics complex	8,000	6.5		West Sea Southern Logistics Distribution Complex
Site of educations facilities	al 8,000	6.5		Establishment of a research institute for attracting personality education facilities
ownhouse Kamping	30,000	24.5		expansion of accommodation facilities
a hospital, a nursing home	15,000	12.3		Attracting a comprehensive healing town
an integrated management office e Power plant site	15,000	12.3		Integrated Disaster Prevention Center for Self-Power Plant
Public parking lot	30,000	24.6		Securing the parking lot
Waste water treatment facility site	2,000	1.6		2 to 3 wastewater treatment facilities
Roads, green areas	30,000	24.5		Securing space in the park's green areas
Sum	343.000	280		

전북 고전지구 1차 개발 계획안 - 약 343,000평
